

A Veteran and A Truck

Partnership Proposal For Progress Residential

Meet A Veteran and A Truck

My name is Michael Smith. I am the owner and founder of A Veteran and A Truck, a waste collection, junk removal, and large-scale hauling company based in Douglasville, GA. I'm an Iraq War Veteran who served in the US Army for (8) years before opening A Veteran and A Truck in 2019.

Atlanta's Leading Waste Removal Company

We have the proven experience, expertise, and specialized equipment to handle small and large-scale projects. We provide waste services anywhere in the Atlanta area quickly, in most cases, on the same day.

Our Commitment to Progress Residential

You modernized the housing industry, and we modernized the trash industry. A Veteran and A Truck is your partner for comprehensive, reliable trashout services. We propose to get your rental properties back on the market and rent-ready in less time.

Our team will work with you to handle:

Hoarder Situations

Messy Tenants

Yard Waste

General Junk Removal

We have the region's largest inventory of specialized equipment, surpassing other local businesses in variety and quantity. Additionally, we are partners with a leading, local roll-off service provider, allowing us to manage and execute a wider range of projects efficiently.

A Veteran and A Truck can professionally handle up to 100 weekly cleanouts without compromising quality.

The background of the slide is a photograph of a white Bobcat skid steer loader and a black pickup truck. The Bobcat is in the foreground, partially obscured by a large, semi-transparent yellow diagonal overlay. The pickup truck is behind it, and its bed is filled with a large pile of light-colored gravel or crushed stone. The scene is outdoors, with trees and a blue sky with some clouds in the background.

Small Load

This is a small load: \$125

Medium "Bad Renter Load"

This is a "Medium Load" for a normal Bad Renter Situation. These loads are usually kitchen items, bedroom suits, etc. we totally clean cabinets, closets, etc... These loads typically range at 500-700 without a basement.

Large Loads

This is an example of a "large" but normalized load. These loads may have something as big as a pool table pictured, tile, concrete, paint, etc. A load as such would be \$700.

Before

X-Large Loads

Unfortunately, sometimes clients leave completely everything in homes. We are prepared to take out everything in entirety. This specific home displayed was 1750. The guidelines will be based off how many 20 yard containers it takes me to complete the mission. Each load is 700 dollars.

Thank you for your time.
